Pro-Amateur Putt-Putt Tournament

Saturday, July 10 @ 6:00 PM
@ Laurel Park Mini Golf

Each amateur will be paired with a Putt-Putt Pro. The Putt-Putt Pro's responsibility is to give each amateur pointers on the game and to boost the team's hole-in-ones to generate more donations for their team. Each amateur is responsible for finding at least 5 people to sponsor their team. The sponsors can either sponsor your team by donating a certain amount per hole-in-one or they can sponsor your team by donating a flat amount. The pros average 9-10 hole-in-ones per game. Make sure you let your sponsors know, so they can plan their donations accordingly. This is a fun event. **YOU DO NOT HAVE TO BE GOOD TO PLAY!** Men, women, or children are welcome to play in the tournament. The idea is to have fun and raise money for charity at the same time.

After the tournament please contact your sponsors and let them know how many hole-in-ones your team had and then collect their donations. Please make checks out to Charity League of Martinsville & Henry Co. In the memo of the check please write Putt-Putt tournament. If you would like to mail in your donations you can send them to:
