

the LEAGUE JOURNAL

Winter Edition 2020

President's Corner

This year has been a whirlwind! It's amazing how time flies when we're all working so hard to achieve meaningful goals.

I'm pleased to announce that Bargain Fair was a great success again this year. This was our second year in our permanent warehouse location, which has truly helped to make us as successful as we can be. Being in a year-round location opened up new opportunities for us, as well as new relationships with local businesses, like The Lester Corporation and The City of Martinsville. We were able to host public drop-offs throughout the entire year for sustainers and members of the public to bring donations. We plan to offer the same this year with a public drop-off scheduled for the third Saturday of every month from 9-11, January through May.

We have a very busy winter/spring lined up and we would love your support at some (or all!) of our events. The last week of February, we will hold our annual Missoula Children's Theater program featuring The Emperor's New Clothes. In March, we will take part in Fast Track: Taste of Martinsville by providing lots of homemade goodies at our table, as well as hold our annual fundraising gala (which we unfortunately had to postpone from November). April will host our annual dessert social for sustainers and incoming provisional members.

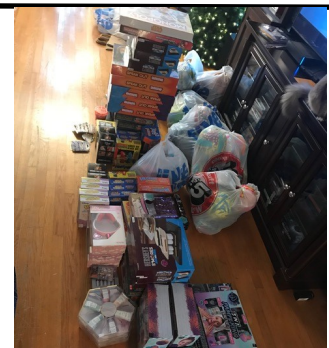

Thank you all for such generous and continuous support of the Charity League and we hope to see you soon!

Thank you for supporting the 2019 Bargain Fair

Brighter Christmas

This year Charity League was able to purchase Christmas presents for 173 needy children in the Martinsville—Henry County area.
